WRITEUP:-

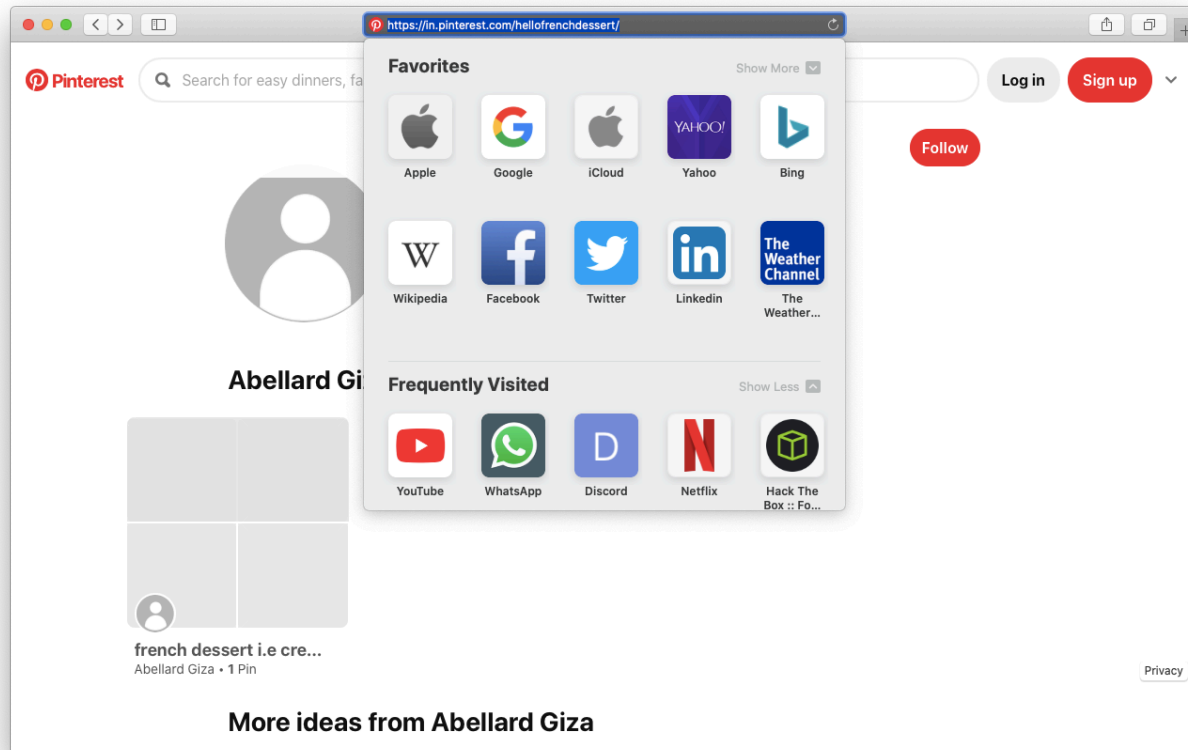

1. We Search for Abellard Giza on google.

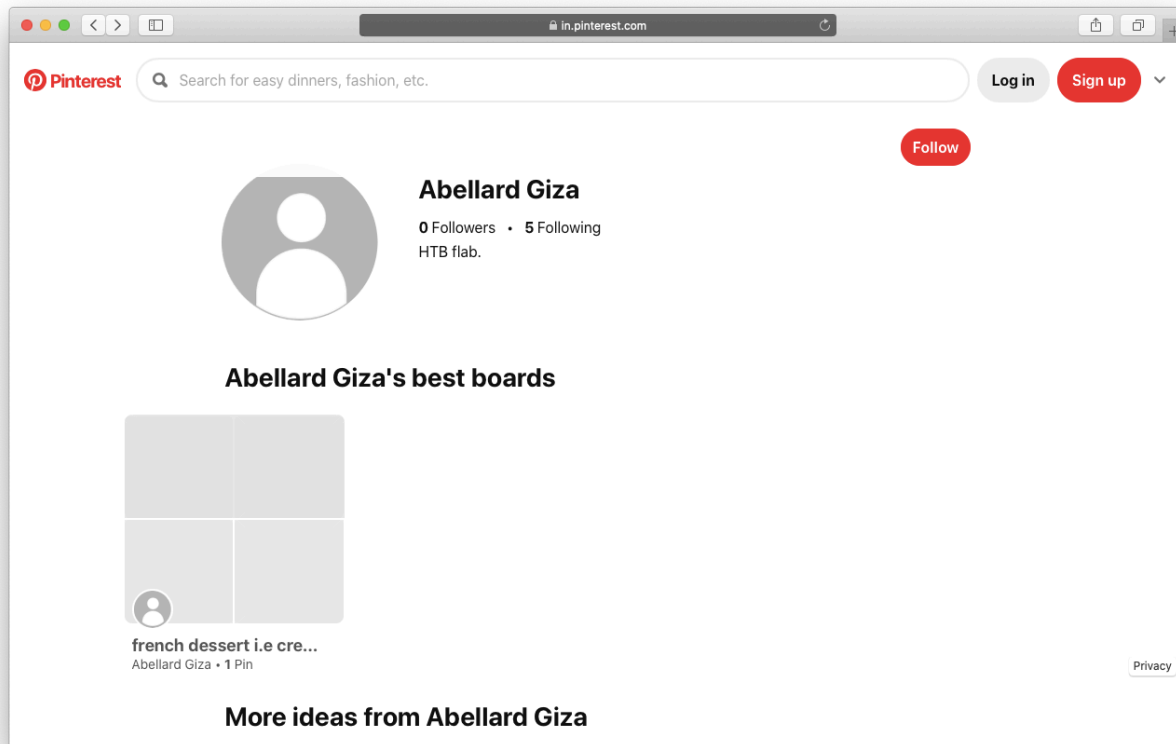

2. We get some Facebook accounts and open one.

3. Search around a bit in this account and get a link with HTB in Family, we are sure that is the account.
4. We have it mentioned here about “pin” both in the description and on Facebook Feed, So we search around in “Pinterest” for the username.
5. Also in the Facebook post, “Hello French Desert you are love” is mentioned.
6. Trying it as Pinterest username and see if we get lucky, as “Hello French Desert you are love” line may be juicy.

7. Yeah We got In as Abellard Giza Blog on Pinterest.

8. Search In the Blog and we found a picture of a French dessert 'Crepe' with the flag. :)
